

50. The Situation

You hear your friends talking about the great time they had at Pat's the other night. You ask how come no one told you about the party. One friend says Pat tried to call you but you didn't answer. You know you had your phone all day, and no one called. Somebody's lying. What do you do? (Unit 10, Lesson 2)

See the Situation Cards appendix in the *Making the Effort™* Teacher's Guides for instructions on using the cards and possible solutions.
