A person's silhouette is seen from behind, walking through a glowing blue archway. The archway is set in a dark, futuristic environment with a starry background and a floor of glowing blue lines. The overall scene is illuminated with a strong blue light, creating a sense of mystery and exploration.

**Gamers have a
Choice.**

**We need to honor
that choice.**

The background is a dark blue, starry space scene. In the foreground, there are numerous glowing green lines of varying lengths and orientations, resembling a network or a complex pattern. The text is centered in the middle of the image.

A person is seen from behind, standing in a dark, tunnel-like space. At the end of the tunnel is a bright, glowing blue light that illuminates the person and the surrounding area. The light has a textured, almost crystalline appearance. The background is dark with some faint, glowing lines and shapes, suggesting a futuristic or abstract environment. The overall mood is one of mystery and choice.
