**Agreed approach:**
Screen 1-3 high level / umbrella [2 full screen / no copy - goal: high level enticing intro to create curiosity]
Screen 4-5-6 tab specific [either one liner or key benefit based]
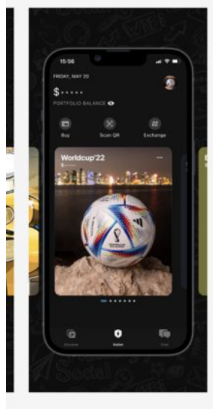

SCREEN ONE

Options:

    a.   Introducing your social wallet
    b.   A wallet unlike the rest
    c.   Engage with crypto like never before

**SCREEN TWO**
No caption needed

No copy needed

SCREEN THREE

Options:

    a.   This is the way.
    b.   Simple. Secure. Social.
   c.   Hang in web3 with frens, fam & besties

Options:

Wallet
1. One liner-based: … like never before
2. Benefit-based: Forget fees and seed phrases
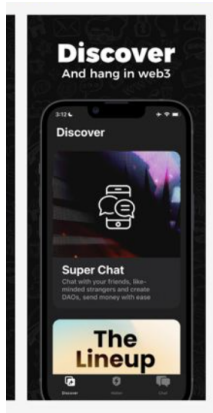

SCREEN FIVE

Options:

Chat
- One liner-based: ...with frens, fam and besties
- Benefit-based: Send tokens in one tap

SCREEN SIX

Options:

Discover
- One liner-based: …. new ways to get in the game OR …. web3 events & communities
- Benefit-based: Hang in web3
