

# HERE COMES: SPIDEY

WHEN OTHERS AGILE METHODOLOGIES  
HAVE FAILED, A NEW HERO ARISES!

BUT WHERE ON EARTH DID THIS  
HERO COME FROM?

**EVERYBODY  
GETS ONE**

THIS GREAT SPIDER—MAN MEME  
FROM FAMILY GUY INSPIRED ME

(BESIDES, SPIDEY IS PRETTY DARN  
AGILE ISN'T HE?)

# SCRUM & KANBAN

## ARE GREAT FOR DISRUPTION

BUT... Everyone thinks there's too much wasted time in ceremonies between standups, reviews, demos, retros, planning, etc.

The backlog will almost always get overrun and grooming always become unattainable.

Sprint review, demo, retro and planning eat up so much time!

The backlog gets filled with stuff that's outdated and more immediate priorities get pushed down due to long meetings.

HaHaHa! They're tied up in meetings!

ONE WEEK SPRINTS COULD SAVE THE DAY, BUT THEY SOUND **SCARY**

ONE WEEK SPRINTS!

BUT ONE WEEK OF FOCUS WOULD MAKE THINGS SO MUCH EASIER TO COMPLETE!

# WHAT IF...

WE TRIED

# 1 WEEK

OF FOCUSED WORK

## EVERY PARTY GETS ONE REQUEST

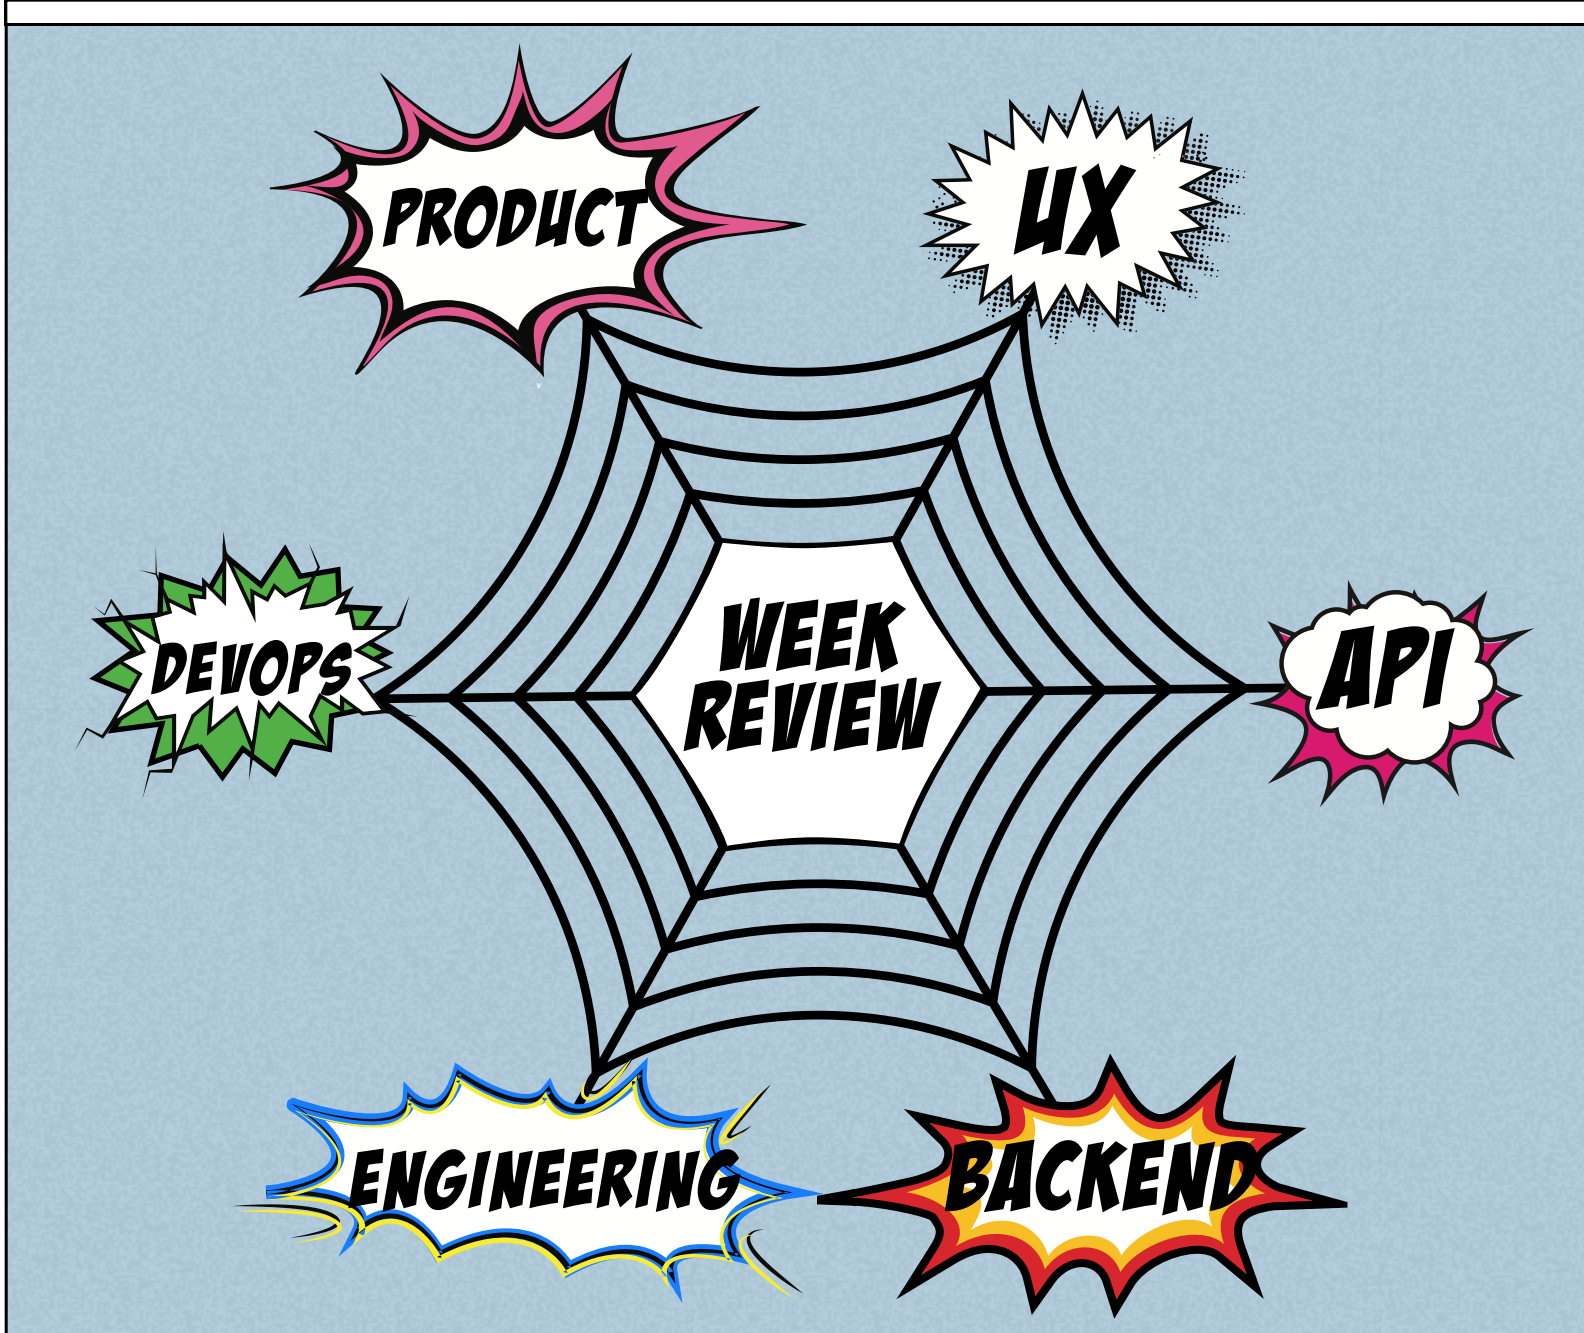

**BUT REMEMBER!**

INSTEAD OF LAYING THIS OUT IN A LIST OR ON A BOARD...

PERHAPS  
**ON A WEB!**

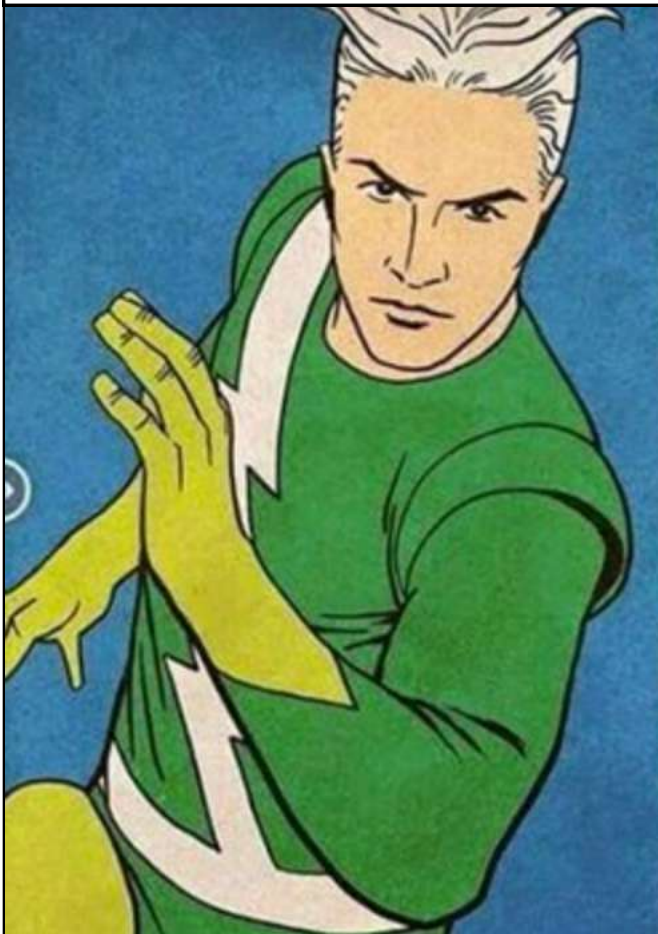

DO AS MUCH AS YOU CAN FOR EACH STEP WITHIN ONE WEEK

1. PLAN
2. WORK
3. TEST
4. MERGE
5. DEMO

**Spidey-Tip!**

It's ok to change to a  
research task or  
mockup task!

**SOME HEROES  
WORK FAST!**

SO MAKE SURE TO LOAD UP  
EXTRA TASKS SO THEY CAN  
KEEP WORKING!

**SOMETIMES BIG TASKS REQUIRE MULTIPLE DEVS**

# **TEAM-UPS**

**FOR BIG TASKS - FEATURING**

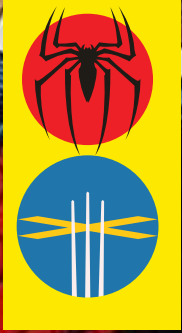

# **DEVOPS**

**AND**

# **USER-EXPERIENCE**

FEWER TASKS IN LESS  
TIME REQUIRES CROSS-  
FUNCTIONALITY!

**AND COLLABORATION!**

# BEWARE OF TRAPS!

## WATCH OUT FOR SAND-MAN!

(meetings and outside interruptions)

Don't get pulled into emails or meetings during your work week!

Push conversations to public channels (Slack) where you can get team help!

## DON'T BECOME A VILLIAN!

DON'T HIJACK MEETINGS FOR IRRELEVANT OR NEW TOPICS

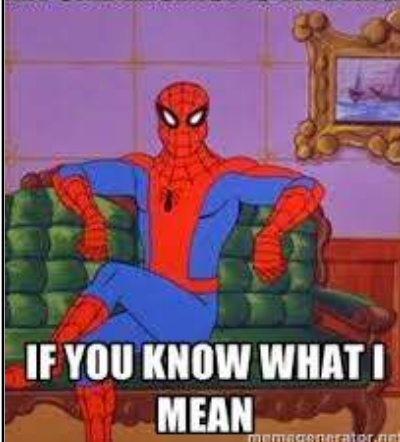

(unless it's a true Emergency to everyone)

LEARN THE PROPER CHANNELS FOR DEBATES & QUESTIONING CHOICES

The bottom line: Respect each others' time!

MY SPIDER SENSE IS TINGLING

## TRUST YOUR SPIDER-SENSE!

If you're blocked, or feel like a task is going the wrong direction, let others know RIGHT AWAY!

(if it feels wrong, speak up)

DON'T LET JJ TELL YOU  
HOW TO DO YOUR JOB!

You were chosen for  
this mission for your  
particular skills.

Your boss or product  
owner can't tell you  
HOW, just WHAT & WHY!

**ALL SPIDERS ARE UNIQUE & WORK BEST TOGETHER!**
