**** Continuing in 2025 – Jackpot Payback Class ****

Following the success of these classes in 2025 we have decided to continue to showcase the skills of some of our best horses and riders by holding a special Versatility class on Saturday afternoon

Entries to this class will be confined to WES members who are already Amateur or Open competitors. We strongly encourage our WES Professionals and other instructors/trainers (as long as you are a WES member) to join in with this class and help us show the best examples of western riding in the pattern on offer

*Payback for 1st, 2nd and 3rd places in this class
Based on a percentage of entry fees*

As well as some lovely rosettes and a trophy for the 1st placed competitor

New for 2025 – Inclusion of British Reining classes

At the WES AGM in March, we announced that we were in talks with British Reining to introduce a Joint Membership pilot for Novice riders / Green Reiners and Youths. That has now been agreed and communicated to members.

As a result, WES have agreed to host BR classes at this year's Nationals and in return BR will add appropriate WES classes at the BR Championship Show later in the year.

*Please refer to the schedule for details.
There is a BR Drug fee is £10 per horse*

Please make sure the BR Membership for exhibitor and owner are current and that the horse has the required BR competition Licence. You need to ensure this is updated before the show, online, at the BR website.

WES is an all-breed society and enables its members to compete on any breed of horse which we recognise may have had a totally different “equine career” before moving into western equitation

For 2025 we are very pleased to recognise any members who are competing at the Nationals on retrained racehorses. RoR have kindly sponsored Highest Placed RoR rosettes to the eligible combinations in Novice Horse, Novice Rider, Open and Amateur classes and a prize voucher, Championship sash and rosette to the highest point RoR overall from those four categories.

Competitors with eligible horses will be asked to declare their RoR membership details via the entry JotForm

Non- American Breed Hi Point Award Sponsored by Mick Carder

In recognition of our all-breed philosophy at that all breeds of horses can take part in Western Equitation Mick Carder, Chair of Judges Committee, has generously sponsored a Hi-Point trophy for Non-American Breeds

Competitors with eligible horses will be asked to declare their breed details via the entry JotForm

Area Average Hi Point Challenge £100 for the winning area

The winning area will be able to utilise the funds to support an Area WES approved event, or Area Social event

The Challenge will be based on scores (not placings) from each class and competitors in the 13 areas. Scores will be averaged to decide the winning area.

WorldHorseWelfare

CHARITY PLEASURE CLASS

FOR 2025, WES HAVE ELECTED VIA THEIR A.G.M., TO SUPPORT “WORLD HORSE WELFARE”

This Charity works extensively both in the UK and Internationally to improve standards of care and welfare for all equines (including donkeys, mules) and to ensure all are treated with respect, compassion and understanding

Competitors will be encouraged to dress in line with the Charity's colour themes
Collections will be made during the course of the show in support of the Charity

Alternatively, you may visit the special WES “Just Giving” page

We recognise times are financially challenging but please support us to help this worthy charity

European Reined Cow Horse Association (ERCHA) classes – explanatory notes

This year we will be offering a special demonstration class in Cutting/Herd Work with explanatory commentary by members of the ERCHA.UK.

Also, on offer will be 2 classes for WES members only, in Cutting/Herd Work. These will be run to ERCHA rules and be judged accordingly. Please see the class schedule for further details.

These classes will take place later on Saturday afternoon to enable our ERCHA.UK colleagues to bring the cattle into the arena and allow them to settle, and for suitable safety barriers to be set up before the 2 WES classes commence.

For any queries about ERCHA/WES classes please liaise with Alison Bucknell, email erchauk@gmail.com or Tom Wilkinson, on behalf of ERCHA.UK
