

# **AutoDrop Starter License Agreement**

Version 1.0 — Effective [DATE]

This product and all related materials are licensed to you, the purchaser, for personal and single-business use only. By downloading, extracting, or using any of the included files, you agree to the following terms:

## **1. Non-Transferable Access**

Your download link and license are unique to your transaction. You may not share, resell, or redistribute the product files in any form, free or paid.

## **2. Limited Use**

The assets, templates, and documents are for your own operations or internal use only. Use for client work is permitted, but you may not resell these materials as-is or in derivative packs.

## **3. Automation Controls**

Your access is secured by automation, including expiring download links, to prevent duplication, redistribution, or unauthorized downloads.

## **4. No Warranty**

These materials are provided “as is.” Fenix Infinity Digital makes no guarantees of performance, compatibility, or results.

## **5. Support & Updates**

Support and any future updates are available exclusively to verified purchasers with active license records in our system.

## **6. Violations**

Unauthorized distribution or resale will result in permanent revocation of access and may be subject to legal action.
