ALTO 2™

REACH NEW HEIGHTS

Introducing the Alto 2—a slim, stylish case designed to help you reach new heights.

The Alto 2 offers multi-pillar protection with innovative design, safeguarding your device from daily wear and tear, all while maintaining a sleek, minimalist profile that feels as good as it looks.

FEATURES

MULTI-PILLAR PROTECTION+

Equipped with FLEXONITE and certified to withstand drops of up to 16ft, ensuring your device stays safe from unexpected impacts.

MAGSAFE COMPATIBLE

Seamlessly connect and align with MagSafe accessories for effortless use and charging.

360-DEGREE PROTECTION

Raised screen and camera edges create a full barrier, shielding your phone from daily bumps and drops.

TACTILE REAL SENSE™ BUTTONS

Enjoy responsive and precise control with buttons designed for a superior tactile experience.

ANTI-MICROBIAL

This antimicrobial technology provides product protection against stain and odor causing bacteria growth.

SOFT TOUCH FINISH

Experience the luxury of a smooth, velvety texture that enhances your grip while adding a premium feel to your device. The soft-touch finish not only provides comfort in hand but also elevates your phone's overall aesthetic.

LIFETIME WARRANTY
